TRUSTEES' ANNUAL FINANCIAL REPORT

1936-37

.....school dist. no. 6.....town of HALFMOON
county of SARATOGA.....from July 1, 1936, through June 30,
1937, to R. O. WINANS
District Superintendent

DIRECTIONS TO TRUSTEES

Do not include in the general financial statement moneys on hand in the bond account, receipts or payments from the sale of bonds, from certificates of indebtedness issued in anticipation of bonds nor from federal relief funds. A separate financial statement for such moneys should be given in the back of the report.

If the district buys and sells textbooks, lunches or other materials or supplies to pupils, omit such receipts and payments from the general account, reporting these only in the statement provided for such expenses on page 6 of the report.

The financial and statistical reports must be signed and sworn to by the trustees of the district and one copy of each filed by them with the district superintendent on the first day of July.

A duplicate of each report should also be kept in the school records. Trustees should not pay the teacher her last month's salary until she has fully and accurately completed two copies of the statistical report and has certified to correctness of same.

Failure to make and file the report works a forfeiture of the right of the district to participate in the distribution of the school moneys. The trustees, by such neglect, become personally responsible for the amount thus lost. Every trustee wilfully signing a false report is guilty under the penal law of a misdemeanor, punishable by a fine not exceeding one thousand dollars, or imprisonment not exceeding two years, or both.

(The word trustee as used throughout the explanation below refers to trustee, trustees or board of education alike.)

DIRECTIONS TO TRUSTEE(S)

1 Prepare or cause to be prepared the tax list and sign the warrant directing the collector to proceed with the collection of taxes. Where separate tax book is used, attach this warrant thereto.

2 Total the amount of the tax list so that the collector may later be credited with the amount of his statement of the uncollected portion of the warrant.

3 Fill in "Estimated Receipts" and "Estimated Expenditures" from the "Annual School Budget Form" presented at the annual school meeting (*Education Law, section 410*).

4 Fill out the report of Tax Levy on the form provided in the trustee's Order-Check Book and forward this report to the district superintendent before this warrant is placed in the hands of the collector. Union Free, Central and Village Districts have a separate form for Report on Tax Levy.

6 Within 30 days after September 1st, place the tax list in the hands of the collector (*Education Law, section 410*).

7 After the tax list and warrant has passed into the hands of the collector, it may not be changed or amended without an order from the Commissioner of Education pursuant to section 424 of the Education Law.

8 The trustee, as an emergency measure, may grant the collector one renewal of this warrant for a period of 60 additional days by signing and dating his indorsement of the renewal in the space provided below the commands to collector (*Education Law, section 423*).

9 In order to secure an additional renewal of the tax warrant, the trustee must secure the signed indorsement of the town supervisor on the face of this warrant approving such renewal.

10 The trustees shall require the collector to return the warrant prior to or on the date of its expiration. He shall also make a full and complete statement of the taxes unpaid upon forms provided by the county treasurer. (§ 433). On or before the first day of April the trustee shall file with the county treasurer the return tax claim bearing certificate of the trustee and the collector's affidavit (*Education Law, section 434*).

11 Within 15 days after this tax list and warrant is returned to the trustee by the collector, it must be filed with the district superintendent (*Education Law, section 439*) who in turn must file it with the town clerk before July 1st of each year. In superintendencies it shall be filed directly with the town clerk by the board of education.
